(Singing hallelujah)

Words & Music **Stuart Townend**

♩ = 110

## INTRODUCTION

1. Join the song of the angels round the throne,  
giving worship to the One  
who lived and died and lives forever more.  
All unite with the saints who fought the fight,  
resting now in heaven's light

| Gm7 | Fmaj7 | Gm/F | Gm/E ||

where beauty dwells and suffering is no more,  
now their suffering is no more.

2. How I long for the day when flesh is done,  
fear and hate are overcome  
and all the earth is freed from grief and pain.  
On that day every eye will meet His gaze,  
sin and death will flee away  
as we behold the glory of the Lord,  
we will bow before our God.
