(Everlasting love)

INTRODUCTION

1. What love is this that always give,
and never counts the cost,
that beats within the heart of God
with passion for the lost,
that lifts me from my wretchedness
and clothes me in His righteousness?
Everlasting love, everlasting love,
everlasting love,
be my joy and my light.

VERSES 1 & 2

2. What love is this that purges fear
and cancels every sin
yet loves enough to lead me through
the fires of discipline?
The suffering that works in me –
the jewel of humility:
Everlasting love, everlasting love,
everlasting love,
be my comfort and guide.

3. What love is this, what priceless gift
 so freely poured on me?
 If all the wealth of earth was mine,
 no richer would I be.
 The greatest prize: to know the King,
 and know that I am loved by Him
 with everlasting love,
 everlasting love, everlasting love,
 everlasting love, everlasting love,
 everlasting love, everlasting love,
 everlasting love,
 be my hope and my light.
