How shall I sing that majesty that angels do adore?

Verse

shall I sing that majesty that angels do adore?
(2.) planets spin in sheer delight, as galaxies concern
(3.) saints who lived and died in grace have found their hearts' desire
(4.) let my voice resound with those whose praise will never tire?

Their thund'rous voices bid me come:
- spire, to fill the universe with light:
- sire, and gaze upon the Saviour's face:
die. Praise Father, Son and Holy Ghost:

sing, sing O heavenly choir!
